

# HI THERE, WELCOME!

Before entering our bar, please take note of the following, so we can keep the vibe inside fun & safe for everyone; that means for guests as well as for staff.

## BASIC RULES

For security and insurance purposes, you're being filmed both outside & inside. Audio may be recorded as well. By entering the bar, you agree to our policy.

If we are closed for whatever reason, we announce it on our website and Instagram account. That's no reason to insult us or threaten to kill, destroy or ruin us.

We will assign seats and/or tables to you, according to availability. The bar is small, seats are limited. Large groups or parties are therefore not possible unless you book the bar for your own event.

Children under the age of 18 are not allowed in our business. That means both inside and on our terrace. No exceptions.

We strive to serve you drinks you will not find on other menus. Therefore, we mainly work from our menu only. We have our own identity and philosophy. So don't treat this place like a fast-food franchise, ok?

Turn off your phone or lower the volume to zero. You're not here to watch tik-tok videos or sports games.

Do not touch, grab, intimidate or harass staff or other guests. We will show you out by any means necessary, should you do so. Having fun, doesn't mean behaving badly and thinking we have to let you get away with it for hospitality reasons.

Using the word "respect" and knowing what it means are two different things. If you don't know the difference, stay out.

Any disrespectful remarks about anyone for whatever reason, be it about their gender, preferences, age or descendance, will not be tolerated. For over 10 years, we have striven for total quality and equality and we intend to keep it that way.

If you damage, litter or steal anything, we will call the police, press charges and transmit our security footage as evidence. Also, the boss will "talk" to you personally, and that won't be fun. For you that is.

**THANK YOU FOR RESPECTING US AND THE OTHER GUESTS.**
